*Determined, Clever, Learner*

"You **miss** 100% of the **shots**  
you **don't take**."

- Wayne Gretzky

## BIOGRAPHY

Over the course of his six years in the 49ers STEM Leadership Institute, Brandon has become well-versed in using various forms of technology, whether it be 3D printers, robots, or computers. He also has a large interest in the sciences, especially chemistry and biology. This drove him to found and run his own high school club, the Scientific Discussion and Debate Club. In the future, he hopes to become a pharmaceutical scientist or to go into a similar field. Outside of school, he spends a large amount of time volunteering, whether it be at a library or at Santa Clara Medical Center.
