Honest, Loud, Passionate

"Cling to joy. **Audacious, unbridled joy**, that looks for **light in everything**. Even while you're **waiting**."

BIOGRAPHY

Now in her 6th year in the 49ers STEM Leadership Institute (SLI), Kylie takes pride in her Santa Clara roots; she's stayed heavily involved in school through academics and student government. In her time at Santa Clara High School, she's served as Sophomore Class Representative and Junior Class Vice President; she is now currently serving as Creative Media Coordinator.

With school activities as an extra hobby, Kylie's true passion lies thousands of miles away in the heart of the Philippines. In partnership with Kids International Ministries, she returns to Manila twice a year to contribute to the effort of breaking the cycle of poverty. At home, she volunteers at her church as a Sunday school teacher and summer camp counselor. Kylie enjoys spending time with family, adventuring with friends, and traveling. She longs to pursue a career that allows her to give hope and help to those in need.
